

At Security Bank Minnesota, the health and well-being of our customers, employees and communities are our top priority. Given the evolving concerns around COVID-19 (novel coronavirus) and to help support community health management efforts, we are temporarily suspending lobby access at our Albert Lea and Alden branches. **Drive Up and Walk Up services will remain open during regular business hours.** These changes will go into effect Wednesday, March 18, 2020 and will continue until further notice.

We continue to offer many options to serve your banking needs:

Online and Mobile Banking

We encourage you to manage your accounts using online and mobile banking. These 24/7/365 services allow you to safely view transactions, check balances, make payments, and more – right from the comfort of your home.

Drive Thru and Night Deposit Box Services

Our drive thru services remain available during regular hours and offer most banking services. Customers may also continue to use the night drop boxes available at all of our locations.

ATMs

Our ATMs, located outside of branch lobbies, are accessible 24/7/365. Security Bank Minnesota works in partnership with the MoneyPass network so all MoneyPass ATM's offer service charge free transactions.

Telephone

As always, you are welcome to call any of our branch locations for assistance:
