

Giving Back to Our Community

Y Not Golf Security Bank proudly sponsored the 31st Annual Albert Lea Family YMCA Golf Opener. The event was hosted by Wedgewood Cove and benefited community youth.

This annual event raises funds for the YMCA youth membership programs

United Way of Freeborn County

Security Bank along with our employees contribute to the efforts of the United Way every year. **Through our donations, we are helping community members be educated, financially stable and healthy.**

Security Bank donated funds in support of the All Together Inclusive Playground and Miracle Field.

The park will be a place where people of all ages and abilities may experience outdoor play.

Vic Is In Full Swing

From Azaleas at the Arboretum to dancing at the Nordic Fest our VIC members have been thrilled to be traveling again. Our next destination is Autumn in Winona on October 14th. Just across the river, we'll visit Ferguson's Morningside Orchards for coffee, cider, and a bakery treat. You will have an opportunity to purchase your apples and pumpkins along with local jams, syrups, caramel apples and gifts. Next, dine near the elegant limestone bluffs on the edge of the Mississippi River Valley at Signatures Restaurant. Admire memorabilia from some of the most

iconic names throughout pop culture history including Elvis Presley, Fred Astaire, Bob Dylan and BB King, most of which are autographed. Then our bus will follow the winding road up the bluff to Garvin Heights scenic overlook to the valley below. Emerge yourself in plentiful fall colors. Final stop

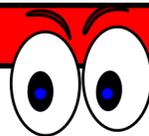

Metz's Hart-Land Creamery gift shop. Enjoy samples of freshly made cheese. The farm store offers a variety of cheese, flavored cheese curds, honey and gelato for purchase. Make this the year you join our club! To qualify you must be at least 50 years old and have \$1,500 in an account at Security Bank Minnesota.

Mark your calendars for December 6th - VIC Christmas Party!
